

Funding

There are various ways to fund your CJT mounting and positioning products. Below is a list of frequently asked questions concerning how to, who from and what steps you need to take to successfully fund your CJT product.

<p>1. Which organizations will fund CJT positioning products?</p>	<p>Various organizations and programs will fund CJT products including the following: schools, private insurance, VA, Medicaid, Medicare, Voc Rehab programs, non-profit organizations, local county programs, waived services, AT programs and private individuals.</p>
<p>2. I am ordering a new communication device. Will the device company bundle a CJT product with my new device?</p>	<p>Yes, for many years CJT has successfully worked with Dynavox, PRC, and TobiiATI to ensure that our clients get what they need.</p>
<p>3. What information do I need to give the device company when I am requesting that a CJT product be bundled with my new device?</p>	<p>First, let the device company know you are requesting a CJT product to be bundled with your new device. Second, include the product quote from CJT, along with your Doctor's prescription specifying the particular CJT product requested. Lastly, include in your report a thorough justification for the CJT product you have requested.</p>
<p>4. Will I work with CJT or the device company to determine what type of CJT product I need?</p>	<p>In most cases, you will work with CJT's Helping Hand to help you determine what you will need to order. In some cases, your local device company sales representative will work with CJT on your behalf to ensure the correct parts are ordered.</p>
<p>5. My device company says they do not stock CJT products. Can I still request a CJT product to be bundled with my new communication device?</p>	<p>Yes, it is true most device companies do not need to stock CJT products because they have a well established relationship with CJT and can order products on demand. Most device companies have successfully worked with CJT for many years.</p>
<p>6. I am not getting a new device, but I am getting a new wheelchair. Can my new CJT product be bundled with my new wheelchair?</p>	<p>Yes, in most cases your local DME/wheelchair provider can package a mounting system with your new wheelchair.</p>
<p>7. Can I order directly from CJT?</p>	<p>Yes, CJT will accept purchase orders, credit cards, checks and money orders.</p>
<p>8. Is CJT a qualified vendor for the VA hospitals?</p>	<p>CJT is an established vendor with a number of VA hospitals.</p>

<p>9. Can I order CJT products through my local wheelchair vendor or technology dealer in my area?</p>	<p>Yes, once CJT issues a quote you can give your quote to the company you feel comfortable working with even if they are not a current CJT reseller. Some restrictions may apply in some areas.</p>
<p>10. How long does it take to receive my CJT product once CJT has received my order?</p>	<p>Most mounting systems, stands and other CJT products are ready to ship within one week of receiving the order. If your CJT product is being bundled with a new communication device your CJT product will either, be drop shipped to you or it will ship to the device company and they will ship it along with the new communication device and other accessories you may have ordered.</p>
<p>11. How do I proceed?</p>	<ol style="list-style-type: none"> 1. Download the CJT Helping Hand packet. 2. Complete the Initial information worksheet. 3. Review photo tip sheet before taking photos. 4. Take your digital photos. 5. Email or upload your completed worksheet and photos to CJT. 6. Wait for additional questions or quote from CJT. 7. Include your quote with your funding packet.
